MJR Builders, a name to reckon with in the realty industry, was established with the prime focus of developing next generation Residential and Commercial spaces. Promoted by Shri. S. Jayaram Reddy, who has more than 3 decades of experience in the realty business and spearheaded many realty companies, MJR Builders has today created a niche for itself in the real estate market.

What sets us apart is the commitment towards Innovation, Integrity, Quality, Transparency and Punctuality. These beliefs reflect in every project of ours. Moreover, it is these beliefs that help us strive to create better living spaces. To be precise, living spaces that delight.

At MJR Builders, we are also conscious about world-class residential and commercial living spaces that delight people and care for the comforts of all age groups.

Presenting MJR Clique-Hercules. Another feather on our cap.
